Our Candle Prayer

God our Father, as we light this candle, making it glow with light,

may we also bring the fire of love to this time of prayer together.

May this candle send out dancing rays like sunrise on the most glorious morning, and may they wrap around us and all of those we love.

We give you thanks O God,
for this happy and peaceful moment.

We ask that as we are together in this circle of light,
may we always be together with you and in your loving presence.

Amen
